OUR MISSION

We exist to be a leading force in transforming lives across Salford and beyond, engaging more of our community in sport, wellbeing, education, and inclusive community engagement.

Salford City FC Foundation, formerly Foundation 92, supports communities across Salford and beyond by empowering, educating and improving lives, by reducing inequalities and creating opportunities for the people of Salford. Rooted in the local community and inspired by the unifying power of football, the Foundation works to make a lasting and meaningful difference in the lives of those it serves.

Martin Ingham-Griffith
Chief Executive Officer

Having joined Salford City FC Foundation midway through the year, I have had the privilege of seeing first-hand both the strength of the organisation and the impact it continues to make across our communities.

While 2025 has been a year of transition for the charity, it is important to recognise that so much outstanding work had already taken place before I arrived, and this report is a reflection of the dedication, passion and commitment of so many people.

I am incredibly grateful for the support I have received since taking up post from our staff team, trustees, Salford City Football Club, and the many partners and stakeholders who share our vision and help make our work possible.

What excites me most is that this is only the beginning. We have strong foundations, real momentum, and a clear opportunity ahead.

I am proud to lead Salford City FC Foundation into what promises to be an exciting period of development for the Foundation, Football Club and City of Salford across 2026.

Yvonne Harrison
Chair of Trustees

On behalf of the Board of Trustees, our Founders, and everyone at Salford City FC Foundation, I'm pleased to share our 2025 Annual Impact Report.

I am incredibly proud of our team, whose energy and commitment have enabled us to engage more than seventeen thousand people through programmes that support education and employability, improve health and wellbeing, and strengthen community connections. More importantly, behind every number is a story, of confidence rebuilt, opportunities created, and individuals achieving things they once thought were out of reach.

In a challenging economic climate, the strength of our partnerships has never been more important. We are grateful to the organisations across the public, private, and voluntary sectors who have stood alongside us, enabling us to extend our reach and deepen our impact.

Our work continues to be rooted in the power of football to connect, inspire, and create change. We couldn't do this without the ongoing support of Salford City Football Club. Together, we are making a tangible difference in the lives of people across our city.

At Salford City FC Foundation, every number represents **a person, a story, and a moment** where opportunity strives to replace disadvantage.

26	Our Partners

At Salford City FC Foundation, every number represents a person, a story, and a moment where opportunity strives to replace disadvantage.

In 2025, we proudly supported 17,452 individuals across Salford and beyond through 25,345 hours of delivery, reaching 229,511 attendances. This impact was made possible by the dedication, compassion and skill of our staff team and volunteers, who work tirelessly to support communities facing inequality, poor health and limited opportunities.

Our Community Engagement programmes reached 10,263 individuals, creating safe spaces for young people to belong, build confidence and make positive choices. Through our partnership with Transport for Greater Manchester, 3,844 young people were engaged in behaviour change work that contributed to safer communities. We are especially proud to have increased female participation in Premier League Kicks by 150% since 2023, reflecting our commitment to inclusion.

Through Education and personal development programmes, we supported 4,704 young people, with 89% reporting greater understanding of anti discrimination and 94% feeling more confident reporting it. Our Health and Wellbeing work reached 389 individuals, helping improve physical health, mental wellbeing and social connection through programmes such as Fit 92 and Dementia Walking Sports.

Fundraising activity throughout 2025 ensured our work could continue and grow, with highlights including the Champions for Children Gala Dinner delivered in partnership with Royal Manchester Children's Hospital, raising £267,412, supported by our Founders, Hospital ambassadors and an extraordinary network of partners who believe in our charities vision. Seasonal initiatives such as December to Remember, which again delivered, for the 5th year in a row, thousands of presents to families facing hardship, showcased the generosity and kindness that exist across our city when organisations come together.

Our heartfelt thanks and gratitude go specifically to Salford City FC, who have amplified our reach through player appearances, matchday access and inspirational experiences.

Crucially, all the work throughout 2025 was made possible by the generosity of our funding partners, founders and supporters, who share our belief in the power of community. Together, we are not just delivering programmes, we are changing lives and strengthening Salford for the future.

YEAR SUMMARY

FOUNDED IN 2018 BY THE CLASS OF '92

The Class of 92 have enjoyed some of the most successful careers in football.

They met at Manchester United in the early 90s and drove their club - and countries - to reach new heights. After stellar careers on the pitch, Gary Neville, Ryan Giggs, Nicky Butt, Paul Scholes and Phil Neville all went on to excel in highly pressurised and challenging environments in the world of media, and as businessmen. What's more, their attitude towards preparedness, ability to dream big, and commitment to creating opportunity is recognised the world over.

In the past year they have supported a wide range of Salford City FC Foundation's projects & events, continuously striving to support the health and wellbeing of communities. Alongside driving the vision of the Foundation, our founders have directly been involved in the charity's fundraising events of 2025, including Football, Padel & Golf Day's which in turn raised over £45,000 to continue improving lives in Salford.

The Salford City FC Foundation founders played a pivotal role in our 2025 December to Remember campaign, which saw the charity deliver over 2,000 presents across Salford and Greater Manchester aimed at families and individuals who may have been facing hardship and disadvantage during the festive period.

JULY

• Supported by partners and volunteers, we delivered 1,784 Christmas presents across Salford.

• Our girls ETC teams and women's walking footballers supported the Salford City Lionesses at their fixture at the Peninsula Stadium!

• The EFL Week Of Action which saw Salford City FC Foundation shine a light on all of our work across the week.

• Veterans lay the poppy wreath on the centre circle before observing a minute's silence at the Salford City FC Remembrance Game.

• We hosted the Age UK Salford & Trafford Dementia Olympics which was a great afternoon of chair-based exercises and games!

• A morning of staff training at Hotel Football as part of celebrating Black History Month.

• Salford City FC academy scholars visited our Premier League Kicks session at Albert Park, taking part in a Q&A.

• We received a 3-year grant from the Veterans Foundation, aimed at improving the social and physical health of veterans.

• We hosted 4 weeks of holiday programmes, supporting over 250 participants.

• Young fans attended the Salford City FC open training session at the Peninsula Stadium!

• Volunteers and staff from the Denis Law Legacy Trust supported the Foundation's programmes as part of the annual volunteer transfer.

• Over 200 girls attended the ETC trails, a record number for Salford City FC Foundation.

• As part of our work with Islamic Relief UK, 500 food packs were handed out to our community.

• The Premier League Kicks, under 16 girls team, won the Premier League Kicks Regional Cup!

• As part of Mental Health Awareness Week, the team delivered the Our Goal workshop to schools across Salford.

• The Foundation supported The Fed to deliver a community event, as part of their Bar-Bat Mitzvah programme.

• Our Women's Walking Football goalkeeper, Sara Clamp, was selected to represent England's Walking Football Team in the Four Nations Cup!

Working Together, Reaching Further

2025 Social Media Statistics

In 2025, Salford City FC Foundation continued to grow and engage its social media following, highlighting great case studies and demonstrating impact. The charity has worked alongside partners across a variety of community focussed events to maximise the Foundation's coverage.

SALFORD CITY FC

Since our inception as a Charity, we have been proud to be the official Charity of Salford City Football Club. Together, we have made a real and positive impact on people's lives beyond the 90-minutes on the football pitch.

Across the world, football and professional clubs are entrenched within communities, and Salford is no different. We work closely with Salford City FC to connect communities closer to their team.

Collectively, we are committed to supporting the community in Salford, and this is made through a variety of forms:

- Free tickets to games
- Player visits into the community
- Player experiences on Salford City FC Matchdays

Salford City FC Foundation works with both Salford City FC men's first team and women's team players as well as academy scholars.

SALFORD CITY MATCHDAYS

At every home Salford City match day, Salford City FC Foundation runs the pre-match Match Day Hub for supporters.

The Match Day hub includes:

- Xbox Gaming
- Arts & Crafts
- Football Tables
- A visit from Billy the Lion
- A visit from Salford City FC players

For every Salford City home league fixture, Salford City FC Foundation invites guests to experience The Peninsula Stadium through the following initiatives.

Team of the Week

We invite local grassroots teams to each home game, who receive 18 free match-day tickets. Each team gets the opportunity to be flag wavers when players walk out, and take half-time penalties on the pitch against George the Lion!

My Special Day

Delivered in partnership with the FreeKicks Foundation, to support deserving young people who may have gone through difficult times. Each home game, one young person gets the opportunity to be a Mascot for the day, and receives their own, free Salford City FC t-shirt.

Premier League Fans Fund

This aims to strengthen connections between the football club, their fans and local communities, through initiatives such as fan-focused and fan-led projects, including schemes for under-represented groups to further enhance inclusivity.

PLAYER APPEARANCES

During 2025, Salford City FC Foundation has continued to strengthen the connection between Salford City FC and our community through a wide range of engagements.

These extend beyond the pitch, enabling the community to interact directly with men's first-team players, women's first team players and academy scholars.

EVENTS DELIVERED

27

PLAYER APPEARANCES

108

EDUCATION & PERSONAL DEVELOPMENT

In July and October, Salford City FC Foundation delivered two financial literacy workshops, engaging 37 scholars. This focused on budgeting, saving and financial responsibility. In addition, scholars also visited Premier League Kicks sessions at Albert Park, supporting delivery and mentoring younger participants, as well as reinforcing positive role modelling and peer leadership.

SCHOOLS & COMMUNITY OUTREACH

Player appearances extended into local schools and educational settings, including December to Remember present drops at two local primary schools.

These engagements focused on aspiration, attendance, positive behaviour and healthy lifestyles.

PREMIER LEAGUE KICKS & COMMUNITY ENGAGEMENT

Albert Park remained a central hub for player engagement throughout the year. First team and women's team players regularly attended Premier League Kicks, Emerging Talent Centre sessions and Dementia Walking Sports, interacting with participants and completing Q&A sessions.

MATCHDAY FAN ENGAGEMENT

Players consistently supported match-day engagement through pre-match appearances at the Peninsula Stadium. These appearances enhanced the match-day experience, providing accessible touchpoints between players and fans, strengthening the connection between the Salford City FC and its supporter base.

COMMUNITY ENGAGEMENT

“Being part of Premier League Kicks has really helped me stay out of trouble, **how to respect other people** and make better choices off it.”

We have supported over 10,000 individuals across our community, through sport, youth work, holiday provision and community outreach.

The behaviour change programme, in partnership with Transport for Greater Manchester, engaged with 3844 young people alone across the transport network, contributing to a safer community.

Premier League Kicks, which is delivered across four locations in Salford, saw an increase of 150% of female participants since 2023, which demonstrates strong progression within female-only provision.

SPOTLIGHT

K I A R O N ' S S T O R Y

Kiaron first engaged with Premier League Kicks during its initial year of delivery at Albert Park.

At that time, he was identified as lacking self-esteem and confidence, and was often bullied which resulted in poor mental health. Kiaron was often involved in aggressive behaviour, such as fighting, and local partners highlighted that Kiaron would benefit from structured and positive provision, outside of school.

Kicks provided Kiaron with free, safe and regular football sessions. The familiar setting, combined with consistent and supportive coaches, gave him a positive space and overtime, he became a consistent participant.

“He’s come out of his shell massively, and now he’s the one encouraging others.”

Beyond football, Kiaron engaged with targeted workshops focused on respect, positive choices and managing emotions. Kiaron began taking on leadership roles within sessions, building his sense of responsibility and ownership.

Kiaron's involvement in Kicks has had a significant impact across multiple areas of his life:

- Developed new friendships, moving away from peers who had been encouraging him towards risky behaviour.
- Grown self-belief and confidence, often supporting younger participants and expressed interest in gaining his coaching badges.
- A noted reduction in any ASB and/or verbal/physical aggression and violence since regularly attending Kicks.
- Connection to Salford City FC: Kiaron built a strong sense of pride in his local club, now owning a season ticket and meeting players through appearances.

Kiaron's journey illustrates the core impact of Premier League Kicks by providing safe spaces, positive role models, and opportunities to grow. The project has helped transform his outlook and behaviours.

His story highlights how sustained engagement through Kicks can change individual trajectories and contribute to safer, stronger communities.

EDUCATION

“It’s amazing to see the changes in her. She’s more confident, and I’ve noticed her helping other children in the group.”

Salford City FC Foundation have supported over 4700 individuals across Education in 2025 across various programmes including Premier League Primary Stars, JD Achieve, financial literacy and small group-based interventions.

In 2025, 89% of young people reported an increase in understanding anti-discrimination whilst 94% of young people felt increased confidence in reporting discrimination.

A teacher from Butterstile Primary School said: “The PE lessons have been fantastic - the students really look forward to them and Salford City FC Foundation staff are able to adapt their lessons to suit the needs of the young people. The support that has been given to our teaching staff has been fantastic and has really changed the way we look at PE as a school”.

A sports coach from Lewis Street Primary School commented: “She now believes in herself, and it’s all thanks to the support she received from the project”.

RIZWAN'S STORY

At Salford City FC Foundation, we believe every young person deserves the chance to feel confident, included and celebrated. This season, one very special participant from Lewis Street Primary School reminded us exactly why this mission matters.

Rizwan was born with Fibular Hemimelia, a rare condition affecting the lower leg. After undergoing an amputation at a young age, he recently spent several months in a wheelchair while awaiting his prosthetic leg.

During this time, Lewis Street Primary School contacted Salford City FC Foundation as Rizwan's confidence in PE had significantly declined. We delivered a 12-week programme for 1-1 support, using fun and engaging activities to help him rebuild his confidence in a safe environment.

Shortly after this intervention began, Rizwan was fitted with his prosthetic leg and began walking again, a huge milestone.

Seeing his determination and progress, sessions increased to twice weekly and week by week, his confidence grew. The smile on his face each time he conquered a new challenge spoke volumes about the impact of consistent belief.

To celebrate his resilience and hard work, Rizwan was selected for “My Special Day” mascot experience with Salford City FC. On the day, he received a Salford City FC t-shirt, met and walked out with the players, and took part in a half-time penalty shoot out.

For Rizwan, who had only recently started walking again, leading the team onto the pitch was an unforgettable moment for him and his family.

Lewis Street Primary School Teaching Assistant, Rachael Hall, said: “He has been in a wheelchair for around eight months, which has held him back from so many opportunities. He has lacked confidence during that time, but has recently had a prosthetic leg which he has started to use. He is so excited that he can walk again. For him to walk out with the Salford City team was amazing. He has had everyone crying this last week”.

“He is so excited he can walk again. For him to walk out with the Salford City team was amazing.”

Rizwan's story shows how targeted support, encouragement and opportunity can make a lasting difference to young people across our community.

HEALTH & WELLBEING

Throughout 2025, Salford City FC Foundation's Health and Wellbeing team has supported over 350 individuals through a variety of health and wellbeing programmes aimed at reducing health inequalities.

These have included Dementia Walking Sports, Fit 92, and corporate fitness sessions alongside many more opportunities to build resilience and manage coping mechanisms for mental illnesses.

In particular, Fit 92 has been a great success throughout the year, with **100%** of participants improving their diet and physical activity level, and **90%** reporting improved mental health.

“With the **help and support** I have received from the **Foundation**, I am to progressing towards my five stone weight loss goal.

Salford City FC Foundation's **Fit 92** sessions have been making a huge impact, helping people improve their physical and mental wellbeing through structured, supportive, and community-driven programmes.

The sessions provided a welcoming environment for all participants, focusing not only on fitness but also on confidence, resilience and healthier lifestyles.

With guidance from coaches, participants are encouraged to set personal goals and are supported to achieve them.

Fit 92 goes beyond the gym. It's all about creating a network of people who motivate, celebrate achievements and share their journey towards improved health.

Many participants reported improved fitness, weight management and mental wellbeing but more importantly, they gain friendships and the confidence to sustain long-term changes.

SPOTLIGHT

ANDREA'S STORY

My name is Andrea Scott and I wanted to share with you what Salford City FC Foundation has done for me.

I have struggled with my weight for most of my life. Traditional diets worked but unfortunately temporarily, and the weight came back with a vengeance. I then allowed life and work to get in the way of my health and wellbeing. I am now at the stage in my life where I want to concentrate on myself, both body and mind.

With the help and guidance received via Salford City FC Foundation, I have managed to drop over a stone in weight. My high blood pressure is now at a normal level for the first time in four years. I sleep better and have lots more energy. I have met a fantastic bunch of people who have the same goals. With the help and support I have received from the Foundation, I am continuing to progress towards my five stone weight loss goal.

“My high blood pressure is at a normal level for the first time in four years. I sleep better and have lots more energy.”

Ruby Williams, Salford City FC Foundation Officer, said: “Andrea's enthusiasm for making changes and developing a healthy lifestyle is inspiring. She always feeds back on the goals that she has set herself, inspiring others to share their positive changes too”.

Andrea's story is just one example of how Fit 92 is changing lives. By combining fitness, friendship and a focus on wellbeing, Fit 92 isn't just about losing weight - it's about gaining confidence, strength and a brighter outlook on life.

“The donations will make a real difference to so many young people across Greater Manchester and enable us to continue our work in the community.”

FUNDRAISING GALA DINNER

Ryan Giggs and Nicky Butt joined a host of sports stars and celebrities in aid of Royal Manchester Children's Hospital and Salford City FC Foundation.

The event, which in its first year raised a staggering £267,412, was hosted by Jenny Powell and Mike Toolan and started with a moving video showcasing the work both charities do, and the difference funds raised will make to young people across the region.

The funds raised not only supported the work of Salford City FC Foundation but also

two projects at Royal Manchester Children's Hospital, the country's largest and busiest children's hospital which cares for over 285,000 young people, each year.

Yvonne Harrison, Chair of Trustees at Salford City FC Foundation said: “It has been incredible to see so many people come together this evening to raise vital funds.

“Thanks to your donations, we will make a real difference to so many young people across Greater Manchester and enable us to continue our work in the community, so thank you”.

 TOTAL RAISED
£267,412

STROLL FOR SALFORD

In October, the Salford community laced up their walking shoes and came together for 'Stroll for Salford', a six-mile sponsored walk organised by Salford City FC Foundation. Despite challenging weather, participants traversed city streets and finished in high spirits, helping raise £3,061.

The walk began at Hotel Football, Old Trafford, and concluded at the Peninsula Stadium, home of Salford City FC just in time for the club's home fixture against Grimsby Town.

Robert Cahill, Stroll for Salford participant said: “We took part as we wanted to give something back to a club that has given my lads the opportunity to do things that may not have been open to them.

“Ryan, my eldest, was given the opportunity to shadow Howard (Club Photographer) for a game during the junior takeover day. Luke, my youngest, has been a ball boy and has enjoyed talking to players and collecting memorabilia. As a goalkeeper for his U11 team, he has also been given tips when speaking to Matt Young”.

 TOTAL RAISED
£3,061

PADEL FOR SALFORD

After last year's successful first venture into Padel for Salford City FC Foundation, this year's tournament was hosted at Pure Padel.

16 teams from across Salford and Greater Manchester took part in a competitive tournament. The tournament also provided great networking opportunities. We also had a visit from Class of 92 and Salford City FC Foundation co-founder, Ryan Giggs.

 TOTAL RAISED
£5,285

A DECEMBER TO REMEMBER

Salford City FC Foundation, supported by partners and volunteers, successfully delivered 1784 presents to help spread Christmas cheer across Salford, following what has been a challenging year for many local families.

Special guests supporting the distribution of gifts included Salford City Football Club's first team and academy

players, alongside Salford City FC Foundation partners Kuits Solicitors, Clarion Futures, JMW Solicitors, One Energy and Transport for Greater Manchester.

We would like to thank B&M Retail and all campaign partners for their incredible generosity, including the donation of 1200 presents.

“Together, we want to help make sure that every child wakes up to a gift from Santa on Christmas morning.”

SANTA'S SQUAD! DELIVERING JOY ACROSS SALFORD

Across three days, Salford City FC Foundation delivered presents to communities and partner organisations throughout the region.

On Monday 15th December, Salford City FC Foundation visited the communities around Pendleton & Kersal, with partners braving wet weather conditions to spread festive joy across Salford.

On Tuesday 16th December, the Foundation supported local charity partners including Community Little Hulton, Loaves & Fishes, Walking with the Wounded, Children's Services and Salford Lads and Girls Club, contributing to their Christmas campaigns.

On Thursday 18th December, the team was joined by Salford City Players, Ade Oluwo, Kelly N'Mai and Brandon Cooper at Lark Hill Community Primary School, where presents were delivered to every child at the school.

Throughout the rest of December, Salford City FC Foundation continued to support young people across

the community by delivering free-to-access Holiday Activity Camps.

Ahead of the deliveries, Salford City FC Foundation partners and businesses from across Salford and Greater Manchester helped collect and wrap donated presents. These included Salford City FC, University Academy 92, Kuits Solicitors, Transport for Greater Manchester, NatWest Monton, Network Rail, Onward Homes, JMW Solicitors and Bupa UK Foundation.

We would like to thank everyone involved in this year's December to Remember campaign. Your support has been invaluable in ensuring families across Salford received a gift this Christmas, and we are incredibly grateful for your continued commitment to the community.

Martin Ingham-Griffith, Chief Executive Officer of Salford City FC Foundation, said: "Salford City FC Foundation is extremely proud to work with multiple partners across Greater Manchester to spread Christmas cheer this year. We would like to thank everyone involved in the 'December to Remember' campaign for their unbelievable generosity and for helping us support so many families this Christmas."

Zachary Algar-Harrison, Travel Safe Enforcement Officer, TfGM, said: "We assisted in handing out presents to the community of Kersal. And what a turn out it was! An organised group from the Foundation and The Transport for Greater Manchester Travelsafe team covered the whole area to bring joy to the public and I'm glad to have been a part of it. Seeing the children's faces as Santa walked down the street with all his elf helpers and handing out all the presents was lovely to see. It's great to be part of a foundation where giving back to the community is the main priority."

B&M Stores, added: "B&M Retail is proud to be supporting Salford City FC Foundation once again, helping families and children across the local communities to enjoy a special festive season. Together, we wanted to help make sure that every child wakes up to a gift from Santa on Christmas morning. This is an incredibly important cause, and we're honoured to play a small part in supporting local families at such a meaningful time of year."
